

Teacher notes

Find someone who...

Language point

Present perfect tense

Aim

To practise the present perfect tense in the context of travel, with "Have you ever...?" questions

Activity

Students ask and answer questions to complete a "find someone who" questionnaire.

Organization

Individual and whole class.

Preparation

Make enough copies of the questionnaire for the number of students in your class.

What do I do?

- 1 Hand out questionnaires.
- 2 Students read through the questionnaire and think about the questions they need to ask.
- 3 Students mingle, and complete the questionnaire by writing students' names in the box if they answer "yes".
- 4 The objective is to find at least one "yes" for each question.

To develop fluency, encourage students to expand on their answers, rather than just answering "yes" or "no".
